Fun Fact

The Great 1919 Molasses Flood of Boston! On Jan. 15, Boston experienced a 25ft high and 160ft wide wave of molasses traveling at 35mph thru the city. Busting thru a factory holding tank, the molasses wave killed 21 people, and injured 150 more. It ripped a fire station from its foundation, overturned railcars, and flooded homes.

Riddle

Which is correct to say: "The yolk of an egg is white" or "The yolk of an egg are white?"
(Answer on back)

Razdolna School
P: 907-235-6870
P.O. Box 15098
Homer, AK 99603

Пряничные Домики

Just before school dismissed for Christmas Break, each elementary student had a chance to create Gingerbread Houses using Graham crackers, as well as other dairy/gluten free food items. Every student had something to bring home that afternoon, and many students got very creative in their designs. Afterwards, both Elementary and MS/HS students were recognized for achievements in the areas of academics, behavior, and attendance. Students received certificates and a special school prize in honor of what they were able to accomplish in Fall 2020.

School Power Outage

On Dec. 16th, Razdolna School experienced a power outage from 11-2pm (appx.). Due to the warm weather, the school was able to remain open. Emergency walkie-talkies were switched on in all classrooms for safety, and students performed quite well during the outage. If you ever need to reach the school, it's best to visit the school on-site as our phones are down. Parents will be notified if school is cancelled.

UPCOMING EVENTS

JAN 11th

- Saturday School

JAN 11th

- Phlight Club (Elem)

JAN 13-17th

- Book Fair (Library)

JAN 15th

- Early-Release @ 12:30pm

JAN 20th

- No School

We will be sending out community requests for parents to work with students on their Russian! Be on the lookout!

KESA Visit

Due to school delays and events, the KESA visit was cancelled and will be rescheduled in the Spring

MS/HS Shed

Be on the lookout for a possible new shed coming to the school. Details will be sent later!

SCHOOL CALENDAR (STEAM Team incl.)

Parent-Teacher Conferences

Save the date! We will have conferences on Feb. 14th!

Riddle Answer
Neither - egg yolks are yellow

Nearshore Fish Activity

On Dec. 11th, Razdolna School had a visit by the Kachemak Bay National Estuarine Research Reserve. Several specialists met with our K-3 students to give a presentation over local nearshore visit in the Homer area. Afterwards, all students had a chance to create their own nearshore fish using felt fabrics in a variety of colors. Students were able to take their fish home for their parents.

MS/HS students who were recognized for achievement in their academics, behavior, and attendance got to participate in an activity with Mr. Dave

These students had to unwrap a tightly knit ball of plastic wrap as quick as possible. Whenever someone rolled a "5" on a die, this ball would be passed to another student for him/her to unwrap. Inside this ball were various prizes, as well as numbered tickets to several nearby paper-wrapped gifts.

Congratulations to the students in all grade levels for their growth and achievements in Fall 2019 at Razdolna!

"Razdolna School" on WhatsApp

Based from December's Site Council Meeting discussion, the school will pilot a "Razdolna School" group on WhatsApp for school parents only. Not only will school events be posted, but parents will have the opportunity to provide direct feedback regarding school functions or activities. The goal is to facilitate communication between the school and village. Only the Principal and Secretary will have access to the group, as well as any parents of school children (unless the parent is a school employee).
