My Items						
	<p>1.4.17 Increase SBA median scores by 5% in reading, writing, math and science through improved student engagement in their learning using "Habits of Mind". Measure/Evidence: A school wide tracking instrument that will measure the teaching and learning of the 16 "Habits of Mind."</p> <p><i>Comments on Status: FY12 Baseline: Student time on task and unwillingness to be accurate show that there is a need for schoolwide training in this area. August 1, 2014 SBA data no longer used.</i></p>	Razdolna School	07/01/12 06/30/13	5% Increase in SBA median scores in reading, writing, math and science	100%	 As of 08/01/14
	<p>1.4.30 Improve student achievement in mathematics through increasing the instruction time by 15 minutes a day. Quarterly M-CAP assessments will be used to measure student learning in grades 2-8. Through increased time in mathematics, 90% of students will achieve the 50th percentile or better by May 2014.</p> <p><i>Comments on Status: 1/17/14 Student Median scores are generally increasing 8/12/14 Math instruction is now 60 minutes a day. M-Cap assessments are continuing.</i></p>	Razdolna School	08/05/13 06/30/14	90% M-CAP	100%	 As of 08/12/14
	<p>1.4.31 Improve student engagement in all subjects by teaching students the Habits of Mind of Persisting, Striving for Accuracy, Managing Impulsivity, Listening with Understanding, Questioning and Problem Posing, and Metacognition. Teachers will present their lessons on the Habits of Mind to staff at bi-monthly meetings. Increased engagement will be measured by student journals and rubrics.</p> <p><i>Comments on Status: 1/17/14 Staff still working on rubrics for Habits of Mind 8/12/14 Teachers have presented the HoM to all students. Continuing to monitor student engagement through journals.</i></p>	Razdolna School	08/05/13 06/30/14	100 Journals, Rubric	90	 As of 08/12/14
	<p>1.4.42 Improve student achievement in writing by connecting instruction to the new Alaska State Standards in writing through all grade levels. Monthly Writing-CBM assessments will be used to measure student growth, grades 2-12, based on CWS (Correct Writing Sequence). By aligning instruction with state standards, 100% of students will achieve the 25th percentile or better on their CWS by May 2014.</p> <p><i>Comments on Status: 1/17/14 Words Written Correctly (WWC) are generally increasing on the Written-CBM 8/12/14 75% of students grades 2-5 scored above the 25%.</i></p>	Razdolna School	09/02/13 06/30/14	100 W-CBM	90	 As of 08/12/14
	<p>1.4.43 Improve student achievement in mathematics through creating student friendly targets/goals aligned to the new Alaska State Standards. Quarterly M-CAP assessments will be used to measure student learning in grades 1-11. Through setting student friendly targets for mathematics instruction and review, 100% of students will achieve the 25th percentile or better by May 2014 on the M-CAP (based on National Norms) and we will reduce the number of students below proficient by 5% while maintain those that are proficient or above on the SBA's.</p> <p><i>Comments on Status: 1/17/14 Teachers using collaboration days, staff meetings, and inservices to create student learning targets 8/12/14 74% of students were at the 25% on the M-Cap.</i></p>	Razdolna School	09/02/13 06/30/14	5% SBA	100%	 As of 08/12/14
	<p>3.1.19 Increase SBA median scores by 5% in reading, writing, math and science through improved involvement of parents and families in school wide activities using habits of mind theory and practice. Measure/Evidence: rates in community meetings, parent/teacher conferences and parents volunteering in classrooms.</p> <p><i>Comments on Status: FY12 Baseline: Currently collecting data Data collected in 2012 and parent/community meetings held 85% of parents attending parent/teacher conferences at the end of the year</i></p>	Razdolna School	07/01/12 06/30/13	100% Increase in parents attending family nights and parent conferences	100%	 As of 08/21/14
