Fun Fact

Why are bananas curved? Because they want sunlight more than anything else! Bananas grow thru a unique process called "negative geotropism," which is simply a fancy way of saying growing against gravity. Enjoy

Riddle

What comes once in a minute, twice in a moment, but never in a thousand years?

(Answer on back)

Razdolna School
P: 907-235-6870

Homer, AK 99603

Работа На Природе

Have you seen our Outdoor Classroom? Thanks to the efforts of Mrs. Tolman, various students & staff, and recently Gary Basargin, students are able to have a class period outdoors and overlooking the canyon! Funding for this deck comes from the Safeway Grant.

We have several more projects that we hope can be finished before winter arrives. One project would be a mini garden and/or flower bed from an old skiff. The other project would involve refurbishing the wooden "Razdolna School" sign, which currently resides at a local residence in the village..

UPCOMING EVENTS

SEP 3rd

- First Day of PreK

SEPT 14th

- Saturday School

SEPT 18th

- Early Release @ 12:30pm

SEP 23rd

- Picture Day!!

Riddle Answer
The letter "M"

Teacher Newsletters

We've updated how our newsletters reach families. The Razdolna Scoop will still come out at the 1st of each month, but classroom newsletters will now arrive on the 15th of each month. Parents will continue to receive newsletters about every 2 weeks. Newsletters will be sent thru a WhatsApp link, and by hand for Elementary students. Per request, we can have MS/HS students deliver their newsletters.

What Happens if there's FIRE?

Razdolna School requires students to participate in Fire Drills once per month. Teachers review specific expectations and procedures with students, such as:

- How/Where to Exit Classroom (pending fire location)
- Behavior Expectations
- Attendance Roll Call
- Best/Worst Times to Use Cell Phones

In addition, ALL classroom teachers have Emergency Backpacks filled with various survival gear, parent emergency contact numbers, 36-mile walkie talkies, and more. During an actual emergency, always check with your child's supervising teacher or aide before pulling anyone out from a class group. Limit cell phone calls to your child or teacher, as those calls can make an emergency event even more dangerous. Let us know if you have any questions!
