Fun Fact

Bubble Wrap - anyone who has mailed glass cups, plates, or anything delicate has likely handled *Bubble Wrap*. But when *Bubble Wrap* was invented, it was originally intended to be wallpaper. When that idea didn't work, they tried to market *Bubble Wrap* as insulation for greenhouses. This also didn't work. Not until IBM needed a computer shipped, they found it works great in packaging!

Riddle

What is deaf, dumb, and blind, and always tells the truth?

Homer, AK 99603

Здоровая Пицца

Before the recent fasting period started, our school had noticed an unhealthy trend with student snacks in multiple grade levels...particularly at the MS/HS. We are concerned, as unhealthy food can easily have negative impacts on your child's health & ability to focus on classroom instruction. Example items include large bags of sugar for tea. We've also seen much candy, cake, ice cream, and large amounts of caffeinated drinks. To all parents - please check on what your child brings to school for snacks. We may have to reconsider snack times if this issue continues.

Going Fishing?

As fishing season starts to draw closer, we understand families will be busy with their nets, gear, and boats. In respect for our village needs, Razdolna School would like to ask all parents who plan to have their children miss school (due to fishing) to reach out to our teachers **as soon as possible**. We have teachers willing to provide classwork ahead of time so your child's grades do not drop. Parents are also welcome to reach out via WhatsApp. When we have notice of your child's absence due to fishing, he/she will receive an Excused Absence.

UPCOMING EVENTS

MAR 6th - 7th

- MS Phlight Club

MAR 8th

- Daylight Savings Time

MAR 18th

- Early-Release @ 12:30pm

MAR 30th - APR 10th

- PEAKS Testing (Gr. 3-10)

PEAKS Testing (Gr. 3-10)

PEAKS Testing starts on March 30th - April 10th. While we will not test every single day, our school will attempt to complete testing as soon as possible. We will send out a test schedule once it's completed. Here are a few tips for helping your child prepare for the test:

- Ask your child about the test
- Prepare a healthy snack
- Offer a positive incentive
- Make sure he/she gets rest

Migrant Support

Thru Migrant Services, Laura Murphy will start providing support to students who need to catch-up on missing/upcoming assignments. Her help will particularly be useful for students missing school due to commercial fishing. She is scheduled to be available each Thursday at 3:00pm, which is our normal early dismissal time. A 2nd weekly time is being planned, and will be shared once that time is finalized.

Coronavirus Information

KPBSD has been working closely with both the AK Health & Social Services and KPB Emergency Management to prep for suspected / confirmed cases of the coronavirus (COVID-19). As a result, the district's pandemic preparedness plans are being refined for the protects of students, staff, and families.

KPBSD does have travel restrictions for students and staff out-of-state; however, there are currently no restrictions within AK. Please practice normal health precautions - do not send your child to school if he/she has flu-like symptoms. In the event of a school closure, we will notify families in advance. For further details, visit KPBSD's main webpage, or this [LINK](#).
